SUPPLEMENTAL AMENDMENT & INTERVIEW SUMMARY

Mail Stop Amendment  
Commissioner for Patents  
P O Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In response to the Interview Summary dated 09 March 2005, Applicant responds as follows.

Statement Regarding Interview

Applicant acknowledges the courtesies extended by the Examiner in the interview of 09 March 2005. Applicant failed to note that the Interview Summary indicated a telephonic interview. Applicant respectfully submits that it was a personal interview between the Examiner and the Applicant's undersigned representative.

The art of record was discussed at the interview and the amendment accompanying the RCE filed on February 28, 2005, was discussed. The Examiner indicated that the inclusion of actual percentages in the independent claims helped distinguish over the prior art.

With respect to claim 21, it was discussed including an anti-scalping layer containing actual percentages of the inorganic additive similarly as was done in independent claims 1 and 19.

With respect to claim 20, it was discussed that the additional layer set forth in claim 20 is a separate layer applied directly to the layer comprising the inorganic additive. Such a structure is seen in reference to Figure 2.
